

Grade 3 Scoring Guide

The Laundromat, Fiction

Constructed Response (CR) Item 1, GLE R2C

- 2 pts The response includes the names of three machines cited in the story.
Example—washer, change machine, dryer
- 1 pt The response includes the names of two machines cited in the story.
- 0 pts Other

Constructed Response (CR) Item 2, GLE R2C

- 2 pts The response includes three text-based events in order.
Example—dumped the clothes on a table, sorted them in piles, put dollar in the change machine, put quarters in the machines, or other events in order
- 1 pt The response includes two text-based events in order or three text-based events out of sequence.
- 0 pts Other

Constructed Response (CR) Item 3, GLEs R2C/W3E

Part A

- 2 pts The response includes three text-based ways the narrator helped Mama at the laundromat.
Example—sort the clothes, put quarters in the machines, bought a can of soda to share, put dollars in the change machine, or other text-based ways
- 1 pt The response includes two text-based ways.
- 0 pts Other

Example--

January 5, 2006

Dear Sandy,

I went to the laundromat with Mama last week and I helped her with washing the clothes. I sorted the clothes, put quarters in the machines, and put dollars in the change machine. We completed our work very quickly.

Sincerely, Paul

Part B

- 2 pts The response includes at least two components of letter writing format (heading/date, greeting, closing, signature, indentation) and the letter is a complete message with a controlling idea that shows awareness of the intended audience. (See example above.)
- 1 pt The response includes at least two components of letter writing format OR the letter is a complete message with a controlling idea that shows awareness of the intended audience.
- 0 pts Other
